

Peter Zahler

Peter Zahler is Senior Advisor for the Asia Program at the Wildlife Conservation Society (WCS). He has over 35 years of experience in conservation and over 25 years of experience in the greater Central Asia region. He provides support to WCS country programs and projects in Russia, Mongolia, Afghanistan, Pakistan, Iran, Tajikistan, Kyrgyzstan, and Uzbekistan (previously also China, Fiji, and Papua New Guinea). He is also responsible for supporting all projects and activities including outreach and field initiatives related to species, policy initiatives, and managing relations with donors and international organizations related to conservation in the region. Previously he served as WCS Country Director for programs in Pakistan, Mongolia, and Afghanistan.
