

Tour of Epic Campus

Climate and Culture in the 21st Century Learning Environment

Friday, June 7 12:00-6:00 pm \$100

Epic Campus, Verona, Wisconsin

Meet in the Highland Community College Parking Lot for carpooling

Explore the creative working spaces on the beautiful campus and the impact it can have on the learning environment. You'll be in small groups with plenty of chances to network and discuss the impact of choice, variety, freedom, and self-directed learning. Reflections and connections to your own classrooms is the goal. Are we preparing our students for the jobs of the future? What could we do better? Don't miss this exciting opportunity!
