

HIKE FOR HOSPICE

MAY 11, 2019

Why do we Hike...

- To raise much needed funds for Hospice Palliative Care in Airdrie & District, but to also raise awareness of the many challenges faced by hospice palliative care and to promote the phenomenal work that all the volunteers & professionals perform daily.
- To give financial assistance through our Compassionate Care Fund
- Funds raised can ensure that more people in our District receive the care they wish for and allows them to stay in their own community longer.
- To remember your loved one
- Fun event - rain or shine

Airdrie & District *Hospice* Society 

**National Hospice
Week**

May 5-11
