Events:

The December event was the toy soldier shoot. There was a bunch of toy soldiers that gave everything they had (arms, legs, heads, and bodies) to provide the shooters with a good time. Mess??? Oh yes there was a heck of a mess that was cleaned up after everything was shoot and demolished.

There will not be any club event shoots in January and February.

License to Carry (LTC) Practice: These are held every other Thursday night from 6:00 to 8:00 PM. The participants get the opportunity to practice drawing from their concealment with their everyday carry pistol. All participants are closely monitored to provide a safe and fun atmosphere. There are multiple scenarios and barricades to practice different aspects of defending oneself if the situation ever presents itself.

International Defensive Pistol Association (IDPA): Practices and holds there events every other Wednesday starting at 6:00 PM.

Ladies' Night: Ladies nights are typically held on the 3rd Thursday of the month. Our next ladies' night will be held on January 21st from 6:00pm – 9:00pm. You may come at 6:00, 7:00, or 8:00pm. There will be a safety briefing, then shooting in the range. Free for members, \$5 for non-members. You may bring your own gun, or there will also be pistols and ammo available for use. Minors above 12 years of age are welcome while accompanied by an adult.

Monthly Maintenance Activities:

January:

Thank you all who come to Maintenance Night, to those who change out the target backers, and the crew how cleans the lead trays.

Tuesday's planned work was check range lighting, check lanes for functioning, clean up around the building, sweep, vacuum firing line, vacuum foyer pew, clean the foyer tables, change the furnace filter, and clean the administration building.

Discounts for Club Memberships:

All attendance credits are accumulated on a calendar year basis, not from the March membership renewal.

- Club meeting attendance
- Range Maintenance Nights
- Cleaning the Lead Trays

Membership Renewals

There will be no new membership or membership renewal to be done at the February meeting. The March meeting will be used strictly for this purpose.

We do need volunteers to help with the membership. There was a signup sheet during the January meeting and there will be one at the February meeting. We are looking for volunteers who have helped in the past and any with computer skills. We will be contacting them volunteers for training.

Monthly Members Meeting Attendance

The monthly members meeting attendance will be going away from the sign in sheets to a badge system. We ask you to continue to do both and get in the habit now of bringing your card to the meetings.

Administration Building Remodel

We have expanded the number of offices from 1 to 3. The original office will be used for new member and membership renewals outside the March time frame. There is also an office that will be the technical center

for all our computer needs. The last office will be the business office for the club.

Simulation Consideration

Jerome Price is currently building a simulation station designed to provide skill development and entertainment for shooters of all ages and skill levels. This system delivers an incredible simulated shooting experience. Shooters can develop their skills using true-to-life firearms or real weapons with laser inserts; all within a simulated environment.

The club officers are considering co-opting in this endeavor leading the club members the opportunity to use the simulator. The details will be worked out in the future and we will be asking for feedback in the February members meeting.
