12 WAYS TO PUT MONEY IN YOUR POCKET EVERY MONTH WITHOUT A PART-TIME JOB

JENNIFER S. MATTHEWS

BESTSELLING AUTHOR

"12 Ways to Put Money in Your Pocket Every Month Without A Part Time Job: The Skinny Book That Makes Your Wallet Fat"

The only thing many of us were taught about money was that we should not talk about money. Now that some are struggling and embarrassed about their finances, change is desired.

Unlike most other money books, this one shows you how to immediately put hundreds of dollars in recurring cash in your pocket. In about 100 pages, you'll learn step-by-step what you can do to create cash right away for you and your family!

"5 SIMPLE Steps To A Debt Free Life"

There are just 5 simple steps that you can use to take control over your money instead of your money (or lack of) controlling you!

The steps outlined in this book will help you create a simple, personalized plan that kicks your debt to the curb. The book shows you how to create extra money with your current income that can be used to build your savings and to get you out of debt even faster! All you need to do is consistently stick to your plan.
