

Payton Hawley

Hi my name is Payton Hawley or as everyone calls me here, Coach P. I am the head coach of the 12u team and an assistant for the 17u team. This is my third year coaching with the Chiefs and my fifth year being a part of Coach McLain's program. I played for Coach McLain my junior and senior year and graduated in 2014 from Kountze High School. From there I went on to play volleyball for Cedar Valley College in Dallas, and am now back at LIT working on obtaining my major in Kinesiology. I transferred my love of playing volleyball into a love for coaching volleyball. I'm excited to see what this year has to bring and watching everyone develop throughout the season. Go Chiefs!
