Although Christmas has come & gone I hope you all had a fantastic family and friends gathering and this finds you all doing well!

Christmas Past

Each Christmas I remember
The ones of long ago;
I see our mantelpiece adorned
With stockings in a row.

Each Christmas finds me dreaming
Of days that used to be,
When we hid presents here and there,
For all the family.

Each Christmas I remember
The fragrance in the air,
Of roasting turkey and mince pies
And cookies everywhere.

Each Christmas finds me longing
For Christmases now past,
And I am back in childhood
As long as memories last
~unknown~

Happy New Year Wish

My Happy New Year wish for you
Is for your best year yet,
A year where life is peaceful,
And what you want, you get.
A year in which you cherish
The past year's memories,
And live your life each new day,
Full of bright expectancies.
I wish for you a holiday
With happiness galore;
And when it's done, I wish you
Happy New Year, and many more.
