The Latin American Modern Capital Site of Brasilia, in Brazil is a Prime Example of how the Cydonia, Mars Triangulation Complex is interwoven with Modern Architecture, in the 'New World'. In the Last Decade, Technological Breakthroughs with such Tools as Lidar Mapping have uncovered, literally many Ancient Cities in the Amazon. Also, in part, thanks to deforestation, the clearing-out of the Land in Brazil has also uncovered a vast array of Ancient City Layouts. It is the stuff of Legends of the 'Giant Amazonas', etc.

It would appear that in some Ancient Past the Amazon was dotted with a thriving Civilization, much like today it has reestablished. And the Modern Brazilian Capital of Brasilia is 1 such 'Dot' in the Modern Landscape. One's Question to the Modern Planners and Architects of Brasilia, is why would they still incorporate the Ancient Martian Pyramid Complex found in Cydonia? Why is such a Modern City, built out of nothing or scratch, incorporating a Triangulation of the Core Capital to reflect the Star Map of another World, another Planet?

It goes to show, in one's Estimation that the Significance and Meaning of such a Triangulation, originating from Mars, is not trivial. It is, though, made clandestinely as to incorporate a Modern Metropolis of Mankind's Doing. And what is the Origin or Pattern found on Mars originated from? One's Theory, called the Martian Motif, stipulates that the Cydonia, Mars Complex of Structures is a Divine Pattern that originates in Heaven where the Creator resides. In essence, it is the Blueprint of Paradise.

It is a Replication of Heaven that reverberates as an Echo, in the Cosmos, on Mars, and on Earth, as it is in Heaven, etc. The Cydonia Mars Triangulation consists of the famous Face of Mars, the 7-Pyramid Pleiades City and the Giant Pentagon Fortress. One is convinced that in some fashion or correlation, these 3 Structures correspond to the Trinity that exists in Heaven. As one has noted in prior Write-Ups, the 7-Star Pleiades City corresponds to GOD the Holy Spirit. The Face on Mars would correspond to GOD the Son.

Then the Giant Pentagon Fortress would correspond to that of GOD the Father. Sure, it is farfetched to presume but one has provided Biblical Inferences, that although weak in correlations, nonetheless capture such an Assertion. The following will be what are the basic Statistics and Origins of the Modern City of Brasilia, given for Context. Thereafter one will correlate the 3 Main Structures and/or Areas that make-up this Triangulation based on the Ancient Martian Blueprint.

*Brasília is the Federal Capital of Brazil and Seat of Government of the Federal District, located in the Brazilian Highlands in the country's Central-West Region. It was founded by President Juscelino Kubitschek (Czech Origin) on April 21, 1960, to replace Rio de Janeiro as the National Capital. Kubitschek was elected President of Brazil in 1955. Upon taking Office in January 1956, in fulfillment of his Campaign Pledge, he initiated the planning and construction of the New Capital. The following Year an International Jury selected Lúcio Costa's Plan to guide the Construction of Brazil's New Capital, Brasília.*

*Brasília is Brazil's 3rd-Most Populous City after São Paulo and Rio de Janeiro. Among Major Latin American Cities, it has the Highest GDP Per Capita. The City sits at an Elevation of 1,000 Meters (3,300 Feet). Brasília sits adjacent to Paranoá Lake, which is artificial. It was built to increase the amount of Water available and to maintain the Region's Humidity. The Term Brasília comes from the Latin Translation of Brazil, which was suggested as a Name for the COUNTRY'S CAPITAL in 1821 by José Bonifácio de Andrada e Silva.*

*Brasília is a Planned City developed by Lúcio Costa, Oscar Niemeyer and Joaquim Cardozo in 1956 in a Scheme to move the Capital from Rio de Janeiro to a more Central Location. The Landscape Architect was Roberto Burle Marx. The City's Design divides it into Numbered Blocks as well as Sectors for specified Activities, such as the Hotel Sector, the Banking Sector, and the Embassy Sector, etc. Brasília was inscribed as a UNESCO World Heritage Site in 1987 due to its Modernist Architecture and Uniquely Artistic Urban Planning.*

*It was named 'City of Design' by UNESCO in October 2017 and has been part of the Creative Cities Network since then. Brasília also hosts 124 Foreign Embassies. The City has the 3rd-Busiest Airport in Brazil. It was 1 of the Main Host Cities of the 2014 FIFA World Cup and hosted some of the Football Matches during the 2016 Summer Olympics; it also hosted the 2013 FIFA Confederations Cup. Urban Planner Lúcio Costa was the Winner of the Competition for the Construction Project of Brasília and played a Key Role in the City's Landmarking.*

*Laid out in the shape of an Airplane, its 'Fuselage' is called the Monumental Axis. Then the pair of wide avenues flanking a large park depict the Wings. In the 'Cockpit' is Praça dos Três Poderes, It is 'Center of the 3 Powers' in Portuguese. It is named for the 3 Branches of Government surrounding it. Brasília has a Unique Legal Status, as it is an Administrative Region rather than a Municipality like other Cities in Brazil. According to a legend, Italian Saint Don Bosco in 1883 had a Dream in which he described a Futuristic City that roughly fitted Brasilia's Location. In Brasília there are many References to Bosco, who founded the Salesian Order. They are found throughout the City and 1 Church Parish bears his Name.*

What one wishes to focus on in the Description of the Blueprint Origins of Brasilia is how the Modern Capital of the most Economic Powerful Nation in Latin America is divided into the 3 Powers. One will argue that the Political Division, a Trifecta, is essentially a Blueprint derived by what is functioning in Heaven itself. One has touched upon this, but the Assertion is that Human Government is only mirroring Divine Government. And that Type of Government has a Legislative, Judicial and Executive Branch. It is essentially a Political Trinity. And that is one's Working Theory about how Heaven is construed with. Consider that the Bible inferred all these 3 Offices, and perhaps even 'Buildings' or Temples.

## **Trinity of Testimony**

For example, in Psalm 82 there is the Divine Assembly, i.e., the 'Legislature'. Then in many Visions where Disciples are taken to Heaven, they see, as in the case of Daniel and John, the Count in Session, the 'Judicial'. And lastly, there are other Visions where in the case of Isaiah, he 'Saw the LORD, High and Mighty and sitting on a Throne', i.e., the 'Executive'. In fact, before Jesus, the Jews had a Biblical Understanding that Heaven was ruled by the '2 Powers'. This is a fascinating Topic that the Late Michael Houser elaborated on. But in actuality, there are 3 Powers.

This is what John testifies, that there are '3 that bear Witness in Heaven', etc. Obviously, YHVH, the True Creator GOD, 3 in 1, is Sovereign. There is no 'Democracy' in Heaven, as far as one can surmise. However, there are Elders that sit around the Throne. And now because of Jesus, the Bride of Christ will be made to be Co-Heirs with Christ. And that 'He who Overcomes, the Father will grant that Person the Right to sit and rule on His Throne. What? When? How does one 'Sign-Up' for that? Give one's Life, one Body, Soul and Spirit to Jesus. He will do the rest.

So, can it be far-fetched that the Modern Capitals of Nations, like Brazil construct their City to mirror or copy Paradise, Eden, next to the River of Water and that exemplifies these 3 Divine Powers in Heaven? And can it be reasonable then to presume that Beings such as all the different Types and Ranks of Angelic Beings have been stationed throughout YHVH's Universes? As in Planets like Mars in the Ancient Past? And could those same Angelic Beings give Humanity that same Sacred Template to replicate on Earth? Why?

As to the Cydonia, Mars Triangulation Correspondence with Modern Brasilia? The Congress Building with its Twin Towers corresponds to the Giant D&M Pentagon on Mars. Then the Soccer Stadium, Mane Garrincha corresponds to the Face of Mars. It is of the Rebel Angel or Being Ala-Lu, i.e., the Luciferian AntiChrist Motif, etc. And then, the 7-Star Pleiades City in Cydonia, Mars corresponds to the Cemetery called the 'Campo Esperança'. In the case of the Face of Mars and the Pleiades City, their Motifs are inverted and shown in the Chart for a visual.

Well, as one has surmised that the Triangulation serves as a Replica of Heaven on Earth, it also functions as a Star-Gate. These Sacred Sites are Charged and linked to Earth's Magnetic Grid. They thus serve as Portal Entries where the Veil between the Dimensions can be and are Crossed-Over. This is one's Working Theory as well. This is why one is also more convinced that the Angelic Beings or Entities that were on Mars, are still there, perhaps Underground, but surely still on Earth.

And likewise, Underground and working with the Elite Bloodlines as they had since Adam. One Day, this Martian Motif will be revealed to the entire World. Earth's Connection to Mars has not and was not alerted in any way. Such Entities work with the Military and Secret Societies of the World that funnel and only hoarded their Advanced Technological Knowhow for themselves and how to use that to control the Masses and Deceive Humanity in steering-away from Jesus.

One is convinced that all this will be part of the Great Deception that will occur as an Explanation of where Millions of Jesus Followers 'Vanished' to after the Resurrection-Rapture Event occurs.
