## *I've Been Set Free*

I've been set free, don't weep for me,  
God's beauty is all I can see  
Don't weep or cry, just maybe a sigh,  
for the joy you brought to my life  
When I first heard Him call  
I knew I must leave it all  
Don't cry or hide, I'm by His side,  
forever there I will abide.

Don't grieve for me, I wanted to be,  
near the One who died for me.  
T'was time to depart, make a new start,  
He wanted me next to His heart  
I have gone to the Lord  
His love and joy my reward  
My heart is light, heaven in sight,  
my soul full of God's delight.

Don't weep for me, He wants you to be,  
full of joy, love, and yes peace  
Don't sorrow too much, no need to clutch,  
forever I'll have your last touch  
I remember your face  
As dear to me as His grace  
Don't shed a tear, I'm past all my fear,  
My Lord is now who I'm near.
