Stud Service Agreement

On (date) this breeding services agreement was executed with the following individual(s), herein after referred to as the Customer:

Name of Customer:

Address:

Phone:

Email:

Dam/AKC No.:

Call Name:

Stud/AKC No.:

Silvermist Labrador Retrievers, herein after referred to as Owner or Silvermist, agrees to supply an AKC Registered male Labrador Retriever stud, (insert stud name), herein after referred to as Stud, for the purpose of breeding with Customer's female dog, herein after referred to as Dam.

The fee for this service is (insert amount), and is due at the time Dam is received by Silvermist for breeding.

Silvermist agrees to the following conditions:

1. Provide Customer with a complete three-generation pedigree of Stud.
2. Take normal, proper care of Dam while in Silvermist's possession.
3. Have Stud in good physical condition, current on annual vaccinations, and with a clear Brucellosis test.
4. Sign litter registration promptly and return to Customer.
5. Provide, at no charge, a return stud service up to three times of Stud to Dam if no pregnancy results from the mating. To receive the included return service, the Customer must notify Silvermist of failure to conceive, in writing, no more than 70 days following the mating. If Stud is no longer available for any reason, Silvermist reserves the right to offer a different stud to the Customer.
6. Provide Customer with written receipt for the stud service fee as stated above and a record of breeding dates.

Owner initials _____ Customer initials _____

Customer agrees to the following conditions:

1. Pay the stud fee stated above to Silvermist before Dam is serviced.
2. Provide a three-generation pedigree before servicing.
3. Provide licensed veterinary certificate of current annual vaccinations, including Bordetella (kennel cough), and a clear Brucellosis test.
4. Send Dam in good health and in season.
5. Notify Silvermist, in writing, no later than 70 after mating if no pregnancy results from the mating. Failure to do so will result in no return service being provided.
6. Keep Dam properly confined following the breeding to ensure no other dog could accidentally mate with Dam before mating season is finished.
7. Agrees to not knowingly sell or transfer puppies whelped as a result of this mating to any person or firm connected with the business of resale or wholesale of dogs.

Other conditions are as follows:

- 1. One (1) puppy born dead or alive constitutes a litter. However, if only one puppy results from this mating, a return service will be provided at no charge to the same Dam at her next heat or within one (1) year, provided all conditions of this contract have been met.
2. If Dam fails to conceive on the return service, this contract is terminated.
3. Silvermist will take proper care of Dam while in Silvermist's possession, but should something happen to Dam while in Silvermist's possession, Customer hereby waives all rights to pursue any actions against Silvermist for said harm to Customer's Dam as Customer assumes all risk to Dam while in the possession of Silvermist outside of Silvermist's agreement to provide normal, proper care of Dam, such as food, water, and safe boarding.
4. Should any portion of this agreement be determined by a court to be unenforceable then that portion shall be deleted and the remaining portions shall continue in full effect.

Customer understands and agrees that any and all legal action, which may arise under any provision of this Agreement, will be brought in the State, County, and City of Owner's residence. Customer will be responsible for all legal fees involved due to breach of contract.

Customer certifies that he or she has read this Stud Service Agreement in its entirety and understands his or her responsibilities.
