**Sponsorships take an event from 'good' to 'great'.
Every level makes a difference.**

Anchor Scholarship Foundation has existed for 35 years to make college more affordable for Surface Navy families. Our scholarships also recognize the impressive accomplishments of these young people in the face of significant challenges. Last year, with the support of others in the community, we were able to award **38 scholarships for a total of \$118,000.**

Our **Anchors & Ale: Pub Trivia with a Purpose** event is a favorite among our active duty and retired Surface warriors and their families. **This event WILL "tap" out at 100 people!**

Anchors & Ale is a wonderfully casual evening that takes the cocktail hour and stretches it to 3 hours of networking with a little bit of trivia and good natured competition thrown in for good measure. **Format of the event affords ample opportunity to highlight sponsors.**
