Dear Parents,

I am happy to announce that the new Head of School for Sunrise Montessori School is Andrea Rossick. She will start her new position on July 1, 2019.

Over the past three years Andrea has shown professionalism, dedication and support for our school. On behalf of the Sunrise Board of Directors, I am confident that Andrea will continue to guide Sunrise according to the philosophy and dreams on which this school was founded.

Over the next few months, as I prepare for my retirement, Andrea and I will work together to develop a smooth and seamless transition. I promise that I won't travel too far, and that I will remain reachable both over the summer months and during the start of the new school year. Nevertheless, I am leaving Sunrise knowing that my pride and joy will be in good hands.

I consider it an honor to have worked with so many families for the past 14 years. Thank you for entrusting your children to Sunrise. There are so many good memories that I have, and I want to say: "Thanks for the Memories."

Please join me in supporting Andrea in her new role and wishing her much success.

Sincerely,

Karen M. Roeber
