

2019 President's Welcome Letter

Dear CMAA Baltimore Chapter Members,

As the new President of the Baltimore Chapter, it is my pleasure to introduce our Board Members for 2019:

- * Jamison Ernst (Whiting-Turner) – President
- * Dave Wissmann (DFI) – Vice President
- * Dianna Wenzlaff (JMT) – Treasurer
- * Terri Wolfe (Johns Hopkins Medical Mgmt Corp.)- Secretary
- * Dave Ferrara (MDTA) – At-Large Member

I would like to thank our 2018 President, Bob Farley, for leading the chapter through a very successful year and continuing the growth of our membership. In 2019 our chapter is again looking to expand on last year's growth and successes for our membership.

At our Holiday event in December the Baltimore Chapter awarded *Nisa Aduwu* our "Volunteer of the Year Award" for her outstanding help over the last year in organizing the women's forum. If you see her be sure to thank her for her continued help!

Our major goal for 2019 is to increase monthly event participation. So please grab a coworker or two and come out to our monthly events!

In 2019 we plan to continue our focus on our signature events below and continue having networking events/tours throughout the year that provide professional development hours and specific content for use in our Construction Management careers.

The signature events we have planned for 2019 include:

- 4th Annual Owners Forum in the Spring
- 3rd Annual Women's Construction Managers Meeting with the National Chapter
- 11th Annual Golf Outing and Project Awards in June

Our current calendar of events for 2019 is attached to this letter. As you mark your calendars, notice there are several events that have not yet been finalized. The board and I encourage your input and/or recommendations as we work to finalize these dates.

We have several open committee chair and volunteer positions available as our chapter continues to grow. We promise that volunteering won't take much of your time but Baltimore CMAA will only continue to grow through the ideas and efforts of its collective membership.

Current committee chair and volunteer openings include:

- Scholarship (would like 2 volunteers)
- Golf Outing (2 volunteers)
- Young Professionals (need a chair and volunteers)

If you would like to get involved this year, please contact me or a fellow board member. All email contacts are noted on our chapter website.

Again, I look forward to the opportunity to represent our growing chapter this year, and encourage you to reach out and share your thoughts on how we can make our chapter better. My contact info is listed below. Call or email anytime, your opinions and ideas are important to us.

Thank you for being a part of CMAA,

Jamison Ernst
