

Building Inspector

The Village of Frankfort Building Department seeks a qualified candidate for the full-time position of Building Inspector. Responsibilities include the enforcement of building related codes, inspections and plan reviews. Our inspectors work closely with residents, developers, contractors, business owners and other Village staff to ensure compliance throughout proposed construction related activities. Interested applicants should have three to five years' experience in building inspection, plan review, and the ability to interpret applicable zoning and building codes. Municipal experience is strongly preferred.

The starting salary range is \$23.50/hr. - \$33.50/hr., commensurate with experience.

Interested applicants shall apply by January 8, 2020. Full job description can be found on the Village's website at www.villageoffrankfort.com. Apply with resume, cover letter and three professional references to:
