## You Already Are.. Part 1

We Americans are on the path to our own demise.

The free world was jolted off of theirs last week, with the massacre of journalists in Paris France. What will it take for us to take back the reigns of our own destiny? We are at war. If our own government won't identify the enemy, it is time for Americans to do so and call it what it is, radical Islam. Islam means submission, are Americans willing to submit without a fight?

The four stages of Islamic conquest clearly define the enemy and its goal for each phase. Unfortunately, America has already succumbed to two. Keep in mind, nearly every conflict in the world involves Islam threatening native populations.

### **STAGE 1: INFILTRATION**

**Muslims are moving to non-Muslim countries in increasing numbers and the beginning of cultural conflicts are visible, but often subtle.**

- **First migration wave to non-Muslim “host” country.** Occurred as early as 1947, when Muslim Brotherhood member Sayid Qutb studied in the U.S then returned to Egypt where he wrote extensively on his disdain for American culture. By 1963, the Muslim Brotherhood established what is now the Muslim Student Association. With the success of the MSA, other Muslim Brotherhood groups began to form and take root.
- **Appeal for humanitarian tolerance from the host society.** Being that so many Middle Easterners were arriving in the U.S from violent regions, here they found safe refuge, hence the victim status was given to many. Today they still embrace victimhood.
- **Attempts to portray Islam as a peaceful & Muslims as victims of misunderstanding and racism (even though Islam is not a ‘race’).** History clearly shows Islam and its Prophet to be violent. In the Koran, there are two periods through which Muhammad went through. The one which Muslims always refer to is the brief time Muhammad was peaceful, which ended when he failed to convert others in large numbers. He then resorted to violence and became political, and remained that way until his death. His actions and words are articulated in the sunnah and hadiths, which he commands “good” Muslims to obey. Good Muslims must follow his example, which were ultimately violent.

• **High Muslim birth rate in host country increase Muslim population.** The only way to ensure the world can return to a pure form is to establish the caliphate where Islam and its law ( Sharia) are superior, therefore there must be a majority of Muslims which can only occur with high birth rates. (i.e Somalis may have 4-8 children).

• **Mosques used to spread Islam and dislike of host country & culture.** Mosques and now Islamic Centers, are no longer just for “prayer”, but rather community centers, providing services for the Muslim community. However, historically mosques were used for military operations, and were where Muhammad issued his fatwas ( legal rulings) Mosques were and are still the center for radicalization. (i.e The Islamic Center of Nashville TN was the center of radicalization for Carlos Bledsoe, aka Abdulhakim Mujahid Muhammad. There he received training by the Imam of the same name, and later shot and killed Army recruiter Sgt. Andy Long in Arkansas, all in the name of Islam) <http://www.cnn.com/2009/CRIME/06/01/arkansas.recruiter.shooting/>

• **Calls to criminalize “Islamophobia” as a hate crime.** The rise of people across the world disagreeing and refusing to submit to the demands of Muslims has led to Islamists (particularly in the U.S where we have freedom of speech ) to coin a phrase “Islamophobia” in hopes of instilling fear in those that speak the truth about Islam. (after all, no one wants to be labeled or called a name!) However, here in America, it is being taken quite seriously, with the current administration, including the Dept. of Justice, actually considering a U.N Resolution (16/18) called the Defamation of Religion Law. Former Sect. of State, Hillary Clinton was part of a series of meetings with the OIC ( Organization of Islamic Cooperation) <http://oicun.org/> which has drafted laws pertaining to the criminalization of speaking out against religions, but particularly Islam. Very dangerous!

• **Threatened legal action for perceived discrimination.** Currently an organization called CAIR ( Council on American Islamic Relations) which was co founded and is led by Hamas supporter Nihad Awad, is leading the charge for jihad lawfare. Repeatedly and continuously filing frivolous law suits against anyone ( businesses, schools, law enforcement, the military, and individuals ) is causing the backlog and disruption of our legal and civil law system. This all done in the hopes those institutions or individuals will eventually give in and allow whatever demands the Muslims are making. Being that is also becomes a financial drain to fight these lawsuits, the demands are met even sooner. Currently CAIR is suing the United States Navy, for not allowing a Muslim to wear his beard. <http://dailycaller.com/2014/12/29/cair-sues-u-s-navy-over-right-to-have-a-beard-if-you-are-a-muslim/> To read more ludicrous, ridiculous suits, go to <http://www.cair.com>

• **Offers of “interfaith dialogue” to indoctrinate non-Muslims.** The goal of every “good Muslim” is to convert non Muslims or kafirs ( non believer or infidel) to Islam. Interfaith forums have become the most popular way for Islamists to perform Dawa, which is an obligation under their doctrine. Typically these forums will feature of panel of leaders from different faiths ( but always will include a Christian and a Jew) where they will each deliver the message of commonality. However, anyone that knows the

Koran, knows of it violence, and questions the statement from the co founder of CAIR, ***“Islam isn’t in America to be equal to any other faith, but to become dominant. The Koran, the Muslim book of scripture, should be the highest authority in America, and Islam the only accepted religion on Earth.”*** is not allowed to be a panelist. Questions regarding any of the Korans contradictions are always met with elusive, often scrambled answers. Over a year ago, the Islamic Center of Murfreesboro hosted a forum called ” God’s Books” which oddly enough featured a renowned, self described, documented member of the Muslim Brotherhood, Jamal Badawi.

Stage one laid a foundation for which the Muslims tested our Constitution, our laws, and us as a people. The mere fact we have arrived in Stage 2 means we are failing.

Watch for Part 2- Stage 2 **CONSOLIDATION OF POWER**

Unfortunately **Stage Two** brings with it the suppression of a number of our Constitutional rights, our culture and our own religious beliefs. Please read that sentence again. Islamists across the board have been saying America is no longer a melting pot, but rather a mosaic. Refusing to assimilate, and insisting to be different eventually causes division and radicalization. While some occurrences below may have subtle or seemingly insignificant examples, you will see stage two is clearly in action. Those with NA have yet to occur to our knowledge, and others are yet to be discussed.

### STAGE 2 CONSOLIDATION OF POWER

- **Muslim immigrants and host country converts continue demands for accommodation in employment, education, social services and courts.**
- **Proselytizing increases; Establishment and Recruitment of Jihadi cells.** With dawa (the proselytizing of Islam) being ramped up as stages progress, it comes along with the mindset of radicals that if conversion doesn't occur on its own, if people of other faiths don't see Islam as being the only true religion, Jihad will be the only resource left. Jihad is in fact, an unspoken pillar to which every good Muslim must obey.
- **Efforts to convert alienated segments of the population to Islam.** Unfortunately segments of our population that have succumbed to being homeless, those on welfare, homosexuals, prisoners, and generally those that are misguided with no direction, or that may be disgruntled or feel abandoned have become prime targets for Islamists. Muslim communities have taken food to the homeless, opened weekend medical clinics, marched with gays, and brought hope to those in prison. All gestures of good will and humanity, however it is always for an ulterior motive. Who will be remembered as helping those in need? The Muslims. Who foolishly bites the hand that feeds them? Therefore, they have gained sympathy and gained people who will undoubtedly stand up against those that speak out on Islam. But that is one side of Islam's face, here is how they feel about homosexuality, you know one of the groups they embrace: " This point is important because one of the main aims of sex is to produce children in order to continue human life. Homosexuality does not yield any children. It is a relationship purely for the sake of pleasure, which is not only unnatural, but leads to disease and death". Read entire article here: <http://www.soundvision.com/info/education/sex/kidstips.asp>

- **Revisionist efforts to Islamize history.** Islamists are now claiming Muslims founded America not Columbus. See here <http://www.wnd.com/2014/11/nato-allys-president-muslims-discovered-america/>
- **Efforts to destroy historic evidence that reveal true Islamism.**
- **Increased anti-western propaganda and psychological warfare.** Last week after the horrific terrorist attack by radical Islamists in Paris, Muslims across the country attempted to blame America by insisting the attacks were the result of the released Abu Gharib torture report and pictures. America is consistently seen as the great oppressor to even those that choose to live here.
- **Efforts to recruit allies who share similar goals (communists, anarchists).** Muslims for Ferguson. <https://www.facebook.com/Muslims4Ferguson>
- **Attempts to indoctrinate children to Islamist viewpoint.** The discovery of Pro Islam, anti Christian ( or nothing at all on Christianity) rhetoric in a vast number of textbooks throughout the country, as well as cartoons, dolls, and toys. Back in 2008, a doll from Fisher Price called the Coo and Cuddle Doll was released without anyone knowing the doll said “Islam is the Light” amongst her cooing. Nintendo DS Baby Pals game also says the same thing. ( I personally have 2 of the dolls and one of the Nintendo games)

The rise in field trips to mosques and the demand for female students to dress in a particular way is very disturbing.

<http://eagnews.org/colorado-school-district-requires-girls-to-cover-ankles-wear-head-scarves-for-trip-to-mosque/>

- **Increased efforts to intimidate, silence and eliminate non-Muslims.**
- **Efforts to introduce blasphemy and hate laws in order to silence critics.** This also was discussed in Stage One, but here is another article indicative of how Muslims want us silent <http://pjmedia.com/tatler/2015/01/12/organization-of-islamic-cooperation-calls-for-more-speech-codes-defamation-laws-in-wake-of-charlie-hebdo-attack/>

- **Continued focus on enlarging Muslim population by increasing Muslim births and immigration.** Discussed in Stage One

- **Use of charities to recruit supporters and fund jihad.** The 5th pillar of Islam, Zakat, has been celebrated by terrorists such as Osama Bin Laden as the perfect way to fund jihad. ““Your duty is to support the Mujahideen with money and men. I have experienced Jihad myself and I know how costly it can be. The Zakat of one affluent Muslim merchant is enough to finance all the Jihadi front against our enemies”, and Yusef al Qaradawi who stated: “Collecting money for the mujahideen was not a donation or a gift but a duty necessitated by the sacrifices they made for the Muslim nation” Groups such as Islamic Relief USA and the Syrian Sunrise Foundation, are just 2 of the organizations that have openly funded jihad.

<https://syriansunrisefoundation.org/>

- **Covert efforts to bring about the destruction of host society from within.** In the words of the Muslim Brotherhood :

#### **4- Understanding the role of the Muslim Brother in North America:**

The process of settlement is a "Civilization-Jihadist Process" with all the word means. The Ikhwan must understand that their work in America is a kind of grand Jihad in eliminating and **destroying the Western civilization from within** and "sabotaging" its miserable house by their hands and the hands of the believers so that it is eliminated and God's religion is made victorious over all other religions. Without this level of understanding, we are not up to this challenge and have not prepared ourselves for Jihad yet. It is a Muslim's destiny to perform Jihad and work wherever he is and wherever he lands until the final hour comes, and there is no escape from that destiny except for those who chose to slack. But, would the slackers and the Mujahedeen be equal.

- **Development of Muslim political base in non-Muslim host society.** Recently formed, the U.S Council of Muslim Organizations (USCMO) currently consists of 8 Muslim groups that believe by 2016 they will have the ability and power to sway an election. **Note:** all 8 groups are Muslim Brotherhood, and according to their own plan called “An Explanatory Memorandum on the General **Strategic Goal** for the Group in **North America**” this is a must to obtain their agenda. Read the memo here [Muslim Brotherhood Manifesto Arab & English](#)

- **Islamic Financial networks fund political growth, acquisition of land.**
- **Highly visible assassination of critics aimed to intimidate opposition.** NA
- **Tolerance of non-Muslims diminishes.** NA
- **Greater demands to adopt strict Islamic conduct.** Young girls going to visit a mosque as part of a field trip in Colorado are told they must wear certain clothing. <http://eagnews.org/colorado-school-district-requires-girls-to-cover-ankles-wear-head-scarves-for-trip-to-mosque/>
- **Clandestine amassing of weapons and explosives in hidden locations.**
- **Overt disregard/rejection of non-Muslim society's legal system, culture.**
- **Efforts to undermine and destroy power base of non-Muslim religions including and especially Jews and Christians.** NA

Although Stage Two is not completely fulfilled, you can see it has most certainly been set in motion. Elements of Stage 3 have just begun, as the larger the population grows, the more empowered and emboldened the Islamists become.

Look for part 3 coming soon.

## You Already Are.. Part 3

Posted: January 21, 2015 in [CAIR](#), [muslim brotherhood](#)

If America continues on it's current path, the next few years will be unlike any we've experienced in our history. As we watch other countries fall to their knees, we must listen to what they are telling us. If we don't, we will continue to be victims by our own hands. Although Stage 2 has not yet been completed, there are factors in **Stage 3** we can say have occurred or are currently. If NA is written after each point, it has not occurred to our knowledge. This is based on actions within the U.S

### **STAGE 3: OPEN WAR on LEADERSHIP & CULTURE**

**Open violence to impose Sharia law and associated cultural restrictions; NA**

**rejection of host government, subjugation of other religions and customs. NA**

**• Intentional efforts to undermine the host government & culture.**

**• Acts of barbarity to intimidate citizens and foster fear and submission.** while acts of barbarity have certainly occurred, it is troubling to say America has failed to fully recognize their significance. The beheading of a woman in OK was certainly not workplace violence, but certainly was a Muslim following the words of their holy book, the Koran. In Sura 47 verse 4, it states: *“So when you meet those who disbelieve [in battle], strike [their] necks until, when you have inflicted slaughter upon them, then secure their bonds, and either [confer] favor afterwards or ransom [them] until the war lays down its burdens. That [is the command]. And if Allah had willed, He could have taken vengeance upon them [Himself], but [He ordered armed struggle] to test some of you by means of others. And those who are killed in the cause of Allah – never will He waste their deeds”*

Yes, they do believe they are at battle, as the goal is to reestablish the caliphate at all costs.

- **All opposition is challenged and either eradicated or silenced.** Even as this is being written, Islamists across America are beginning to make the case that free speech is a good thing except when they don't like what is being said. (<http://radio.foxnews.com/toddstarnes/top-stories/american-muslims-want-limits-on-free-speech.html>)
- **Mass execution of non-Muslims.** NA
- **Widespread ethnic cleansing by Islamic militias.** NA
- **Rejection and defiance of host society secular laws or culture.** Christmas traditions have all but been eliminated in public venues, the pledge of allegiance to Americas flag is offensive to Muslims and foreigners, and the word God has been displaced in every American icon. Traffic laws are being disregarded in cities like NY, where Muslims are allowed to block streets during Friday prayer (Jummah), Family courts across the country are losing power granting divorces as Muslims seek their own courts for such purposes and who knows what laws were broken when a Tennessee police officer allowed a vehicle to continue on its way after being advised their was a dead child in the trunk. ( <http://www.bizpacreview.com/2014/12/13/saudi-man-tells-police-he-has-permit-for-dead-child-in-his-trunk-officer-lets-him-go-165021>) All done in the name of political correctness.
- **Murder of “moderate” Muslim intellectuals who don't support Islamization.** NA
- **Destruction of churches, synagogues and other non-Muslim institutions.** NA
- **Women are restricted further in accordance with Sharia law.** NA
- **Large-scale destruction of population, assassinations, bombings.** NA
- **Toppling of government and usurpation of political power.** NA
- **Imposition of Sharia law** Every time an accommodation for a Muslim is met, Sharia was imposed. From allowing prisoners to maintain their beards, ( <http://www.nydailynews.com/news/national/u-s-supreme-court-muslim-convicts-beards-article-1.2085315>) removing meat products from school cafeterias, (<http://www.frontpagemag.com/2014/dgreenfield/muslims-halal-school-lunches-are-our-constitutional-right-2/>) and imposing the call to prayer over an entire community ([http://www.americanthinker.com/blog/2015/01/muslim\\_call\\_to\\_prayer\\_blast\\_ed\\_out\\_over\\_ucla\\_.html](http://www.americanthinker.com/blog/2015/01/muslim_call_to_prayer_blast_ed_out_over_ucla_.html)) are just incremental, methodical ways we are submitting to sharia.

The mere fact **ANY, ANY** of the above is occurring should be an alarm for Americans to awaken. The Islamists are being empowered and emboldened as we allow them to change us from inside out. It is only a matter of time we are blasted out of our comfort zone, as they are warning us, they are here, and they will rise.

# Are Americans Willing to Submit to Islam?

## You Already Are ..Part 4 Final

Posted: February 7, 2015 in [muslim brotherhood](#)

Seems really farfetched doesn't it? After all this is America, we have the Constitution, and the Bill Of Rights, we have laws and courts to enforce those laws. There are branches of government already in place, with a system that allows us to elect those to serve and protect our foundational principles.. So what's the problem.

As you have witnessed just this week, the strength and leadership which has always defined what America is in the eyes of the world, is shaking at its core. With elements of Stage 3 already in place, hold on tight, Stage 4 isn't far behind. With the inhumanity of an Islamic group that has burned a human being alive, and a president that has publicly admonished Christians, what is left other than for the atrocities to begin occurring within our own borders.

Here are the elements to Stage 4. Bulleted points with "NA" means it is not occurring in the United States at this time that we are aware of.

### **STAGE 4: Totalitarian ISLAMIC "THEOCRACY"**

**Islam becomes the only religious-political-judicial-cultural ideology.** The President of the United States openly disparages Christians at National Prayer day, openly uses the term "our religion" when referring to Islam, and refers to a deadly, vile Islamic group as a "jv" team is just a seed of ideology that is spreading into every corner of America. Since the office of the **President of the United States** is embracing a Muslim political party (United States Council of Muslim Organizations), embracing the implementation of Sharia law in areas dominated with Muslims ( Dearborn MI) and condones the refusal of Muslim refugees and immigrants to assimilate and accept our culture, it has begun. Welcome to stage 4.

- **Sharia becomes the "law of the land."** In 2013 during "Muslim Day" at the Capitol in Austin TX, their director of CAIR stated: "If we are practicing Muslims, we are above the law of the land." The agenda is in place.

- **All non-Islamic human rights cancelled.** NA

- **Enslavement and genocide of non-Muslim population.** NA

- **Freedom of speech and the press eradicated.** The OIC ( Organization of Islamic Cooperation) has worked within the UN to draft UN Resolution 16/18, which calls for a defamation of religion law. Currently there is an uprising regarding just how free speech should be if it offends Muslims, Islam or the prophet Mohammed. While free speech has

not been eradicated, the wheels are in motion to limit speech if it is deemed hateful. [un-resolution](#)

• **All religions other than Islam are forbidden and destroyed.** NA

• **Destruction of all evidence of non-Muslim culture, populations and symbols in country (Buddhas, houses of worship, art, etc).** NA

The House of Islam (“peace”), dar al-Islam, includes those nations that have submitted to Islamic rule, to Sharia law. The rest of the world is in the House of War, **dar al-harb**, because it does not submit to Sharia law, and exists in a state of rebellion or war with the will of ‘Allah.’ No non-Muslim state or its citizens are “innocent,” and remain viable targets of war for not believing in ‘Allah.’ The Christian, Jewish, Copts, Hindus and Zoroastrian people of the world have suffered under subjugation for centuries. Dhimmis are forbidden to construct houses of worship or repair existing ones, economically crippled by the jizya (tax), socially humiliated, legally discriminated against, and generally kept in a permanent state of weakness, fear and vulnerability by Islamic governments.

SO that is the final stage. Keep in mind in order to create the caliphate the number of Muslims must be high enough to assist in fully implementing their law. Also keep in mind the following.

**The vast number of refugees being settled within the United States are from Islamic countries.** ( <https://refugeeresettlementwatch.wordpress.com/2015/02/04/over-110000-iraqis-have-entered-the-us-since-the-end-of-the-bush-administration/>)

(<https://refugeeresettlementwatch.wordpress.com/2015/02/02/more-news-about-syrian-muslims-headed-to-kentucky/>)

**The current administration in the White House sympathizes and supports terrorist groups** such as the Muslim Brotherhood, Hamas and CAIR. This past week the White House held meetings with members of the Muslim Brotherhood.

(<http://www.jihadwatch.org/2015/01/obama-state-department-hosts-muslim-brotherhood-leaders>)

**The current administration in the White House is decimating the United States Military**

**The current administration in the White House wants to disarm the American people**

**The current administration in the White House is creating a welfare state**, providing full benefits to foreigners, while leaving its middle class and military without jobs, and healthcare

Overall, the tone within the United States is extreme divisiveness, anger and frustration.

A sleeping giant is awakening. God bless America, God help us all.
