International Society of Automation, Delhi chapter (ISA-D) is a platform for End users and Manufacturers, in short "Users & Producers". ISA-D was formed almost a decade back and has progressed well since the inception, with present membership of around 400 and growing further. On this platform "Users & Producers" exchange their knowledge, experiences and ideas, to ultimately gain in their profession for a win-a-win situation.

Automation technology in Industrial systems are meant for control & monitor machines & distributed processes. Designers choose process automation elements from a variety of sensor, input/output module, controller and operator interface options.

Regardless of the elements chosen, the primary goal is a reliable, accurate, and ultimately valuable operation. But although the main goal is a stable process, designers shouldn't ignore other opportunities. More than ever, process automation professionals must be ready to take advantage of the extended business improvements possible with the new automation devices and communication technologies available today.

Making efforts further in this direction for providing automation professionals to collaborate, ISA-D is organizing a "Fertilizer, Food and Pharma Automation meet -2019" on **23rd November 2019 (Saturday) at Hotel Taj. Palace, Sardar Patel Marg, New Delhi**, with theme focused on "**PROCESS OPTIMIZATION USING SMART AUTOMATION**".

Fertilizer Symposium is being conducted by ISA Delhi since last three years in succession. This year we have expanded our horizons by including the domains of similar industries i.e. Food Processing and Pharmaceuticals which equally receives the benefits of latest advancements in automation and instrumentation technology in the Process Plants.

It is our endeavor to provide technical platform to personnel from End users, manufacturing companies, technology licensors, EPC & LSTK companies and vendors.

Authors, professionals from Fertilizer, Food & Pharma industry are invited to submit abstracts for presentation at "Fertilizer, Food and Pharma Automation meet-2019".

33, DSIDC, CWC, Kalkaji, New Delhi -110019, Ph. +91.9313384543

Email: info@isadelhi.org website- www-isadelhi.org.

Theme topics for this year Symposium will be:

- Process optimization and efficiency improvement through automation solutions in Fertilizer, Food & Pharma (FFP) Industry.
 - Role of Data Analytics & IIOT in Industrial Automation for Fertilizer, Food & Pharma industry.
 - How Fertilizer and Food Processing industry is implementing Automation Technologies in existing plants e.g. Special Instruments for FFP sector
 - Emission control and Environmental issues/Norms, Zero Liquid Discharge (ZLD) in FFP industries – Expectations from Instrumentation and automation manufactures
 - Case study/white paper- End user perspective on Plant performance improvement, Enhancement of process safety, Good project management practices and expectations from Automation Industry
- Technical paper must cover technologies and case studies in any one or more of above topics. Product portfolio and company profile shall be avoided.

We request you to please present technical paper and share knowledge related to above suggested theme topics. This can be in the shape of a white paper or a case Study or best practices in your relevant area of activity. Knowledge sharing by you and your team will be useful for success of this event.

Important dates-

- a) **Abstract submission along with brief profile of author – 15th October 2019.**
- b) **Acceptance by technical committee – 22th October 2019**
- c) **Paper & Presentation submission (in ISA-Delhi Format) – 4th November 2019.**

Contacts:

An early confirmation from your side shall be highly appreciated. Please send your Technical Paper's abstract to the following persons:

1. Mr. Dharmender Singhal – dhsi@topsoe.com
2. Mr. S. Mahesh Kumar – s.mahesh.kumar@eil.co.in
3. Mr. P.K. Gupta – pkgupta06@ntpc.co.in
4. Mr. Sarvesh Kr Sharma – sarvesh.sharma@eil.co.in
5. Mr. Sumit Halder- sumitkumarhalder@ntpc.co.in
6. ISA Delhi Section – info@isadelhi.org
