

*Touch me lightly on the small of my back*

*Run your fingers through my hair*

*Kiss the back of my neck*

*Hold my waist*

*Spin me around until I become dizzy*

*Lift me in the air to fly*

*Chase me like a rabbit*

*Wrestle with me*

*Tell me I'm beautiful when I know I'm not*

*Speak a different language to me*

*Repeat my favorite songs*

*Whisper you want me*

*Have your teeth tug at my earlobe*

*Caress my hips and thighs*

*Nibble on my shoulder*

*Bite my lip*

*I don't come with a manual*

*Just ask me*

*I don't ask for material things*

*Just play nice*

*I don't want to fight*

*Just have fun*

*I don't want the world on a platter*

*Just need me*
