A Word from Our President & Lead Instructor

Welcome to Plontzie's Grooming Academy!

My name is Mary Plontz and I'm a professional pet groomer with experience in grooming Northwest Ohio's most beloved pets since 2001. I began my grooming career after graduating from the Great Lakes Grooming Academy in Toledo, OH and currently own and operate a successful mobile pet grooming and full service grooming salon.

I chose a career in pet grooming because I always had a passion for working with Man's Best Friend. Every day I get to groom and play with so many different beautiful breeds and my job is rarely boring. After all these years I still wake up excited knowing that I can say "hi" to so many different furry friends every day.

I developed the 'Start to Finish' pet grooming program throughout my years of experience mentoring and successfully teaching grooming skills to others. I take pride in ensuring that each student fully understands not only "how" to be an extraordinary pet groomer, but also "why" each of the skills taught are absolutely necessary to be an extraordinary pet groomer.

When you graduate from Plontzie's Grooming Academy you will have gained the knowledge, confidence, real-world experience and expertise to go anywhere and have a successful career in the pet grooming industry.

I look forward to getting to know you!

Thank you,
