

President & Associate Broker:

Jill Clements has over 29 years' experience in the business of real estate. Her background includes residential, multi-family, industrial and commercial development, construction and sales as well as land

entitlement, brokerage, asset and property management. Jill embarked on her career real estate in Las Vegas, Nevada where she was a manager for a sales and marketing firm where she was responsible for three homebuilders and a total of nine new home communities. She spent one year in Southern California working for a publicly traded homebuilder before relocating to Phoenix. Jill began her real estate career in Arizona in 1992 working with the Butte family of companies where she honed her skills in residential, multi-family and commercial office development. Projects included 600 multi-family apartments, 360,000 square feet of commercial office and 60 single family homes and lots. Jill left Butte in 2001 where she continued her real estate career with Jokake Real Estate Services and participated in the development management of commercial, medical office and industrial projects.

She also expanded her knowledge into the acquisition, entitlement, management and disposition of large land holdings. Projects include the assemblage, planning and entitlement of 2,500 acres of native desert and farm land in Western Maricopa County and of a 1,760 acre assemblage of high desert equestrian property in Southern Arizona. Jill has a Bachelor of Science in Business degree with a minor in Management from Western International University.
