

Following last year's success, the **Emerging Enterprise Center** and the **Small Business Development Center** have joined forces once again for the 2nd Annual Delaware Entrepreneurial Summit. As in 2018, this year's summit is aimed at bringing together entrepreneurs, mentors and providers with a goal to supporting entrepreneurs and accelerating their business growth, and will include workshops that focus on the "blocking and tackling" skills needed by entrepreneurs as they take their business to the next level.

THE EXHIBIT PORTION OF THE EVENT WILL TAKE PLACE FROM 1:30 TO 5:00 PM

Those participating only in the afternoon exhibits may set up any time between 8am and 1:30pm. As an exhibitor, you are included in and encouraged to attend our dynamic morning workshops and luncheon.
