Old Business

SKCS is having a sub-gun match after the June match. Good turn out

Carl and Dave to address the MI slot policy. Still in progress

Address the issue with Wayne County Raccoon Hunters club hosting USPSA matches on the 4th Sunday. The location is 41 miles from Livingston Gun Club. This is creating a conflict with LGC. A letter will be sent to the Board of directors at WCRHC to address the issue. Contact was made with Roy Neal of WCRHC on this issue. The following letter was sent to Roy and WCRHC. I am waiting for a response.

New Business

Wayne County Raccoon Hunters Club

July 12, 2011

Attention Jack Allen

In June I extended an invitation to Wayne County Raccoon Hunters Club to join the Michigan Section as an affiliated club. The invitation was given to Roy Neal. I have not heard from Mr. Neal since then. The invitation is still open.

The benefits to your club include the option to host the Sectional or State Championship, listing of club information in the Michigan Section website, and but not limited to, support from the Section.

Adding Raccoon Hunters to the Michigan Section would benefit the Michigan shooters, the Michigan Section and Raccoon Hunters Club.

Your ranges are set up in a good format to have good USPSA matches. Raccoon Hunters is an excellent venue. I would like to have Raccoon Hunters Club on the Michigan Section roster of clubs.

Please reply with your answer as soon as possible.

Thank you for your time and support of the shooting sports.

Dear mr proven

I have spoken with our ipsc MD Roy Neal and he has explained to me in great detail the pros and cons of your request and at this time it does not fit into the program that we currently have running...

So we respectfully decline.

If in the future we decide to revisit this offer I will contact you for direction in doing such.

Sincerely

Jack Allen
