## The National Educational Act of 2021

---

### Section 1

Any school or school system receiving Federal funding or Federal aid must adhere to the educational schedule described below, or it must forfeit all Federal funding and Federal Aid for the year following failure to adhere.

At grade 9 one full semester of the following classes must be taught to all students: (1) the history of the formation of the federal government 1770-1888, Civics in the United States, and (2) history of the North America from 1492 to 1750.

At grade 10 one full semester of the following classes must be taught to all students: (1) the history in the United States of the Democratic, Republican and major independent parties from 1775 through today and (2) the history of the United States from 1751 to 1850.

At grade 11 one full semester of the following classes must be taught to all students: (1) the history of other major forms of federal governments used around the world from 1775 through today and (2) States the history of the United States from 1851 to 1950.

At grade 12 one full semester of the following classes must be taught to all students: (1) the history of the United States from 1951 to the current year and (2) world and U. S. geography.

### Section 2

Each participating school shall administer a final exam consisting of at least twenty multiple choice questions for each of the classes listed above and an average grade of at least 75 must be obtained for the school to receive Federal funds for the following calendar year. The multiple-choice questions shall be determined at the state level and used uniformly throughout the state.

### Section 3

Implementation of the above schedule must occur by August 1, 2022 or federal funding is lost for the next year.
