Laurie Owen made the motion to accept the new by-laws. Donna Bush seconded the motion. All were in favor; the motion passed.

Kerri Temple is heading up food and volunteer list for Reveal Night. Band Council is to be in the gym by 3:30 to decorate, students seated by 5:30 ready to play. All students please sell at least 5 tickets, if possible. Any unsold tickets need to be turned in by Thursday.

Donna Bush is heading up the retirement reception for Mr. Adams. We need bottled waters, ginger ale, and white grape juice to be dropped off in band hall. All other items we have taken care of.

Mr. Adams: Great trip. Hotel staff complimented our students on their behavior. He had high expectations of the kids and they followed through. He's very happy with the results.

Brian Joyce: He asked that by accepting the new by-laws that we keep the four people already in office due to keeping continuity for the upcoming year. We want to form committees headed up by people other than the officers; with those committees reporting to vice-president each month. Donna Bush made the motion of acclimation to keep current officers. Jill Kinnard seconded the motion. All were in favor. Motion passed. Going forward, we have 1 year terms for officers other than treasurer. Officers must be re-elected/elected each year (other than treasurer). *We are wanting to develop a volunteer handbook to be able to put parents in places they want to be in and can be the most beneficial to the kids and our band program. *May 9th at 6:00 (a little earlier than usual) will be our kick off meeting for the upcoming season. We will revamp the charms and remind 101 systems on that night. *We want to include the 6th and 7th grade students/parents in our Booster organization by charging a \$50 fair-share to help finance Jr. High band instead of the High school band footing the bill. *We want to have a drive for raising \$200,000 by 1) Letter campaign-sending letters to alumni and/or supporters to donate \$10-\$50 to the band program. 2) Starting a go fund me account for our band program. 3) Student led campaign - "Sponsor my performance."
