

Mayor Allan Fung has shown how Republicans can succeed in Blue States

- When Mayor Fung came in to office, the city was on the brink of bankruptcy due to poor financial management of previous democratic administrations
- Over the past nine years, he's presided over Cranston's remarkable turn around
- Cranston RI is now one of the *Top 50 Cities to Live in America*, & one of the *Top 100 Cities to Raise a Child in the United States*
- Mayor Fung's administration showed strong fiscal management & grew the largest rainy day fund in the entire state while holding the line on taxes
- Cranston now has its highest bond ratings by Moody's, S&P, and Fitch in nearly three decades
- Helped to create thousands of jobs across multiple sectors
- Implemented a business concierge program that makes it one of the most attractive spots for entrepreneurs

Mayor Fung is being tapped as the next Republican Governor in New England

- The current Governor is one of the least popular in America (Morning Consult) - 61% disapprove of her job performance.
- In 2014, Mayor Fung was the Republican nominee, & lost by just 4% in a three way race
- In this month's WPRI/RWU poll, Mayor Fung is statistically tied with the current Governor, is winning Independents by a 41-29 margin, and enjoys a 2:1 favorability rating.
- *This is Republican Governor Association top "pick up" race.*
- When elected, he will become the first Chinese American Republican Governor in the history of the United States!
