

## **Kids Power Wheels Demo Derby**

**Saturday, July 20, 2019 @ 7:15 pm**

**Preceding Demo Main Event - Grandstand**

**Contact: Kyle Jorgensen 641-745-0589**

All entrants are subject to the following rules and regulations in the interest of safety and equal competition. The Adair County Fair does not imply or guarantee safety. Total responsibility for the inspection of the car and rule compliance is by the owner/driver, not the Adair County Fair. Two large balloons will be attached to the power wheels by a fair representative. The object is to pop the balloons on other cars. The last one left with an un-popped balloon is the winner and will be awarded a trophy. Each heat will have a time limit. If at the end of the heat more than one contestant has un-popped balloons, heat will be declared a tie.

### **Driver's Rules**

1. This is supposed to be FUN for the kids, parents don't ruin it for them!
2. Kids 3-10 years of age may participate. Two age groups: 3-5 and 6-10 years. ALL kids must be accompanied by an adult.
3. All drivers must supply their own car and set it up according to the rules.
4. When choosing Power Wheels for your child, please keep in mind these vehicles will be running into each other (like bumper cars or derby cars). The Power Wheels need to be the kind the child sits IN, not ON. No 4-WHEELERS, TRACTORS, MOTORCYCLES ... must be RIDE IN, not RIDE ON.
5. Driver only, NO passengers.
6. Derby is limited to 6 to 12-volt power wheels ONLY. No connecting multiple batteries together. (This makes the power wheel move too fast, and makes it unsafe.)
7. Helmets are mandatory; bicycle helmets are OK. A seatbelt is recommended but not required.
8. All doors and tailgates must be strapped shut. No sharp edges. Use zip ties or duct tape (or other flexible products) to make them stay shut.
9. Stock tires only. No screws in tires, no chains, etc. Vehicles may NOT be raised or lowered. They must be the stock height that came from the store.
10. Decorative changes can be made to the Power Wheels to make it look like a derby car; however, there can be no reinforcement or modifications for strength to the Power Wheels. Changes and additions can ONLY be decorative. i.e.: header pipes sticking up, painting the car, etc.
11. Closed toe shoes required. NO sandals.

Any situation that arises, Chairman has the power to add or change rules as required. If it isn't in the rules, it doesn't make it legal. All entries must be on the Adair County Fairgrounds by 6:30 pm for sign up and inspection. All children must have a signed waiver/consent form from a parent or guardian and will be available at registration.
