(We will not sell your address, phone number or email. We use them only to distribute Club communication, newsletters and to contact you for participation in club activities.)

Our Club is run entirely by volunteers. We have several committees that you could join, depending on your interest. More volunteers means more fun, lighter work and a better experience for everyone. Please circle any committee that interests you so you may be contacted with more information. (Note, inquiring about it does not commit you to it.)
