

## August 2024 Minutes

President Lonnie Demoret called the KCMR meeting to order at 1:35pm at Halstead in Phil's AVI Depot. Six members were in attendance, since one member and guest previously left.

Treasurer's report by Jeff C. was printed and given to Lonnie when Jeff had to leave earlier.

Lonnie reported on the LOTS convention in Lawrence that he, Jolene, Jeff C & Javen had attended in July. Meeting Lionel Operating Train Society members from all over was great and participating in the various activities with them were nice. We had the opportunity to tour different places. We had the chance to tour Union Station, War memorial, Abilene Smoky Valley Railroad shop and ride the rails, carousel run with steam, the Eisenhower museum, Truman museum, Agricultural history museum and 3 homes with wonderful layouts. Very impressive to see the layouts and collections! Lonnie's layout was a big hit at the Saturday show also.

Todd had asked again about the t-shirt logo. He now knows someone that can make shirts for us, we provide the shirt. Unknown cost at this time.

Todd has also told Lonnie & Jolene that he knows of someone that is able to provide a billboard to us to help promote the club. More information is needed for both of these before we can proceed.

Thankyou to Phil for hosting the August meeting at his Depot in conjunction with Halstead's Old Settler's Day.

Wichita Toy Train 30<sup>th</sup> Annual Model Train Show show is October 26 & 27 at the Cessna Activity Center Wichita KS.

Next meeting is September 14 at 11 am at the clubhouse 16 East 3<sup>rd</sup> Hutchinson. Hope to see you there!!

Meeting adjourned.

Jolene Demoret, Secretary
