BREEDING - RACING THOROUGHBREDS

NOVEMBER 2018 NEWSLETTER

Hello Partners, Friends and Followers!

Our foals are all on their own and doing fabulous! They have all been growing up nicely and their fluffy winter coats are coming in.

Our yearlings are thriving in Ocala, Fl. Working with each one's personality, the trainer says they are all smart, learning well and have good conformation. Pearl has some sass to her, Buddy throws a temper tantrum every now and then, Energizer is quite independent and Haley makes you wait until he decides whether something interests him enough to be bothered. Jasper (Tapit Happy John) is still with them and is doing great! As for the rest of the Posse that has moved on, Louie (Sir Ludlow) and Big John (Fairpit), are progressing in their training and doing quite well!

Our mares are enjoying their alone time for the next few months before they are moms again.

Make Reservations and **Trickmeister** are starting their "primping and preening" so they are presentable stallions this upcoming breeding season!

Our Two-Year-Olds -

Romancing the Cat had his first race on November 3rd at Laurel Park, finishing 7th out of a field of 10. For his first race, Romancing the Cat did well. On November 30th, he ran at Aqueduct. Although he broke from the gate beautifully taking the lead, he finished last. This race hurt him mentally and emotionally and we are discussing some options to help improve Romancing the Cat and his racing career.

True Prosperity will be getting ready for her first race very soon! Remember, she will be running for Thoroughbred Retirement Foundation.

Our partnerships:

We still have some shares left in **True Prosperity**, which will close after her first race. There are still shares available in **Buddy's Peak'n**.

Want to get involved in a partnership but feel you don't know enough? Just ask us! We didn't always know either!

Bergen Stables is offering some of our weanling foals for sale. We have colts by Palace and War Dancer and a filly by Jack Milton. They are available to see by appointment.

We welcome you to come visit with our mares and two-year-olds in Colts Neck, NJ or our babies in Gardiner, NY.
