

Northeastern Kansas Beekeeper's Association
Beginning Beekeeping Class 2018 for Langstroth Hives
Sundays, March 4^h and 11th Registration 12-1 and demonstrations, program 1-5:30 p.m.,
Douglas Co. Fairgrounds, 2110 Harper St., Bldg. 21, Lawrence KS

Dr. Dewey Caron, author of the textbook we will be using, *Honey Bee Biology & Beekeeping*, will present on the 2nd day, March 11th. **Dewey M. Caron** is a graduate of Cornell University and Emeritus Professor from the University of Delaware. Dewey has received numerous awards and forms of recognition for his teaching and extension work during his career. He has written many books and is one of our favorite guests.

New members will be eligible to win a starter single story hive and a 3-pound package of bees with a queen. All other registrants will be eligible to win additional door prizes. Drawings will be held on March 11th at the conclusion of the class. You must be present to win.

Each family registration will receive the book: *Honey Bee Biology and Beekeeping* 2nd Edition by Dr. Dewey Caron. Each registrant will receive a set of presentation notes. If you have this book, there will be an alternate choice available.

Sunday, March 4th
