

## **2016 ACUI National Championship Team Requirements**

### **1. Complete all criteria as outlined in order to be eligible for discounted rounds and/or ammo.**

- 1.1. If any amendments are made to the discounted rounds and/or ammo criteria after a member has completed the original discounted rounds and/or ammo criteria, that member automatically completes added criteria.

### **2. Compete in a minimum of 3 competitions in the academic year prior to the national championships.**

- 2.1. Number of competitions competed in will be counted by the number of submitted scores to the master club member rankings.
- 2.2. Competitions include, but are not limited to, any collegiate, national, or Texas A&M Trap and Skeet sponsored events, including Maroon 100s. (SEE AMENDMENT I)
  - 2.2.1. If a member participates in a competition where Texas A&M Trap and Skeet is not an actively competing team, then that member must submit a scorecard signed by an official from the hosting party of the competition in order for the score to be included on the master club member rankings. (SEE AMENDMENT I)
  - 2.2.2. Any competition scores where Texas A&M is an actively competing team will be automatically submitted to the master club member rankings.
  - 2.2.3. Any competition scores that where re-dos, mulligans, or any similar matter, are allowed, or any competition that occurs on a date prior to September 1<sup>st</sup>, 2015, will not be considered a legitimate competition.

### **3. Submit a minimum score of 97 in any event that is a team event held at the 2016 ACUI National Collegiate Championships**

- 3.1. Based on the varying number of spots for the Nationals Team, all current officers reserve the right to adjust this number in such a way that the maximum number of competitors will be taken to the ACUI National Collegiate Championships.
  - 3.1.1. The maximum number of members on the National's Team will be decided within (2) months of the ACUI National Collegiate Championships. This number will be based on
    - 3.1.1.1. Outstanding Club Budget
    - 3.1.1.2. Division requirements
    - 3.1.1.3. Current academic year competition performance
  - 3.1.2. Should two or more members have the same max recorded score, and there is only room for one more Nationals Team member, the tied shooter's average scores across all events will determine the winning member.
- 3.2. Any submitted score must adhere to criteria 2.2.1 and 2.2.2

### **4. Meet all requirements set by Texas A&M Recreational Sports in regards to being a National Team Member for Texas A&M.**

**All current members must meet the stated criteria in order to qualify for the 2016 ACUI National Collegiate Championship Team.**

***Disclaimer:***

*All current officers and coaches reserve the right to deny any club member a spot on the 2016 ACUI National Collegiate Championship Team if necessary with a unanimous agreement from all other current officers and coaches. The current officer committee reserves the right to increase or decrease the set minimum qualify score, increase or decrease the number of team members, and increase or decrease the minimum of required competitions but not without prior announcement to current club members and not within one month prior to the championships. The Texas A&M Trap and Skeet Club is not required by and Texas A&M University regulation or rule to take a minimum number of team members.*
