

May will be the last month for some of our students and we wish them well as they go on to grammar school. The children have grown and learned so much in this past year and our hope and wish is that the foundation they have started with us, will serve them well not only next year, but throughout their lives. Our very best to all the children and their families.

We would like to thank Miss Lisa for her very generous donation of all her profits from our Scentsy fundraiser. The amount was \$600.00, which is a very outstanding donation of hers. Thank you Miss Lisa!!

We would like to know what your summer plans will be. We will pro-rate tuition for the months of June, July, and August. Please let Miss Ann know when your vacations are, and the tuition will be adjusted accordingly.

As the weather warms up, remember to put an ice pack in your child's lunch. Also, don't forget that none of us like to eat the same thing every day, and also include fruits and vegetables in addition to the main protein portion of your child's lunch.

Our "last" of school is Friday, May 31, and we begin our summer program on Monday, June 3.
