3-D DANCE TUITION/FEEES POLICIES

Monthly tuition is payable **ONLY** through automatic debit from a credit card or bankcard. Family agrees to keep current their contact information and credit card/debit card authorization form on file and will notify the office immediately of any changes.

Tuition will be debited on the 1st (first) of every month.

Tuition is to be PAID IN FULL during holiday months as our rates are based on a 4-week month, inclusive of several additional family enrichment events. Since some months are longer, the extra classes received equal those missed during holidays. The studio remains open for all 1-day holidays and follows Denton ISD for both weather closings and extended holiday breaks (Thanksgiving, Christmas and Spring Break). A \$35.00 late fee will be added after the 5th of each month. Any student whose account is over 15 days past due may not participate in class. Once enrolled in dance class, your child's place is considered reserved for the season. A financial commitment is made for the duration of the dance year, including the recitals (unless we are otherwise notified that your dancer will not participate in our recitals). We will continue to charge tuition until we receive a written withdrawal notification from a parent.

Checks accepted **ONLY** if paying tuition for a full semester.

Enrollment fees are non-refundable and are good for one full year from date of registration.
