

2022 Feathered Star Class Descriptions

Log Cabin (Regular or Curvy) Creative Grids-

Let Creative Grids Log Cabin rulers help you create these traditional blocks. The rulers come in 4", 6" and 8" in both original and curvy blocks. The newest 10" Log Cabin Duo lets you make blocks with 1/2" or 1" finished size logs.

Confetti

A creative way to use bits of batik fabric. Come see my Confetti quilts/ pillows for inspiration, then create your own art! Bring a base fabric (approximately 12x12" or larger) and bits of batik scraps. You'll need rotary cutter and small Ziploc bags (for confetti).

Cat's Cradle Creative Grids

An amazing ruler that lets you cut only rectangles to create a block of triangles! Bring fabrics with good contrast. I have made several quilts using variations of this versatile block! The ruler comes in two different sizes.

Plaidish

One of my new favorite quilt patterns! You can play it safe and use just three colors or test your skills in sorting fabrics to darks, mediums and lights! Either way, it makes for a fun quilt!

Square on Square Creative Grids

These Creative Grids rulers let you create these nested squares with accurate points. The rulers come in two different sizes- 6" and 8".

Modern Curvy Piecing

Learn to create a modern quilt using free form curves!

Materials-

Sets of three fabrics 8" square for the bright version.

I used batik, black and white, and large floral.

Fabrics can be repeated. For the landscape version I used sets of 3 fabrics 8" square

Binding Options

In this class we will explore a number of options for binding your quilts. You will need to bring some pre-quilted fabric approx. 24" x 24" and 1/2 yard plus 1/4 yard for bindings. Rotary cutter and mat, pins or binding clips, needle and thread. Pre-quilted muslin will be available to purchase. *I like the muslin so that you can make notes right on the sampler of binding options.
