

See the Light

During Lent, spring arrives! Birds and other animals come out of their winter nests. The days start to get longer, too. That means that the sun rises earlier and sets later.

Look around your worship space. Do you see light coming in through the windows? There is more light in the spring. This light reminds us that Jesus is the light of the world!

Color in the window below to help remind you that Jesus is our light.

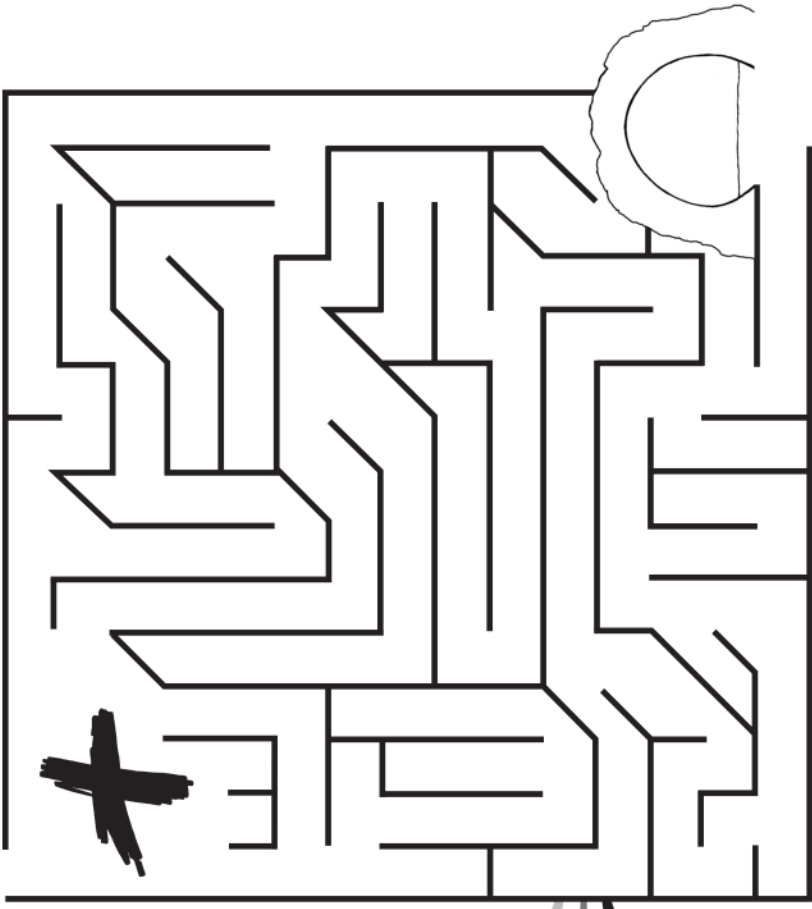

- Today is the **fourth Sunday in Lent**.
- Lent is a time of **sadness** and **thinking**.
- During Lent, we **prepare** for the **joy** of Easter.

A Lenten Journey

Find the path below that will take you through Lent and all the way to Easter.

START

FINISH

Follow the directions below to discover what Jesus said. If you need help, try looking at John 9:5b.

Cross out these letters:

- All U's
- Every other T
- All N's
- Every other I
- All S's

Jesus said _____

Feeling God's Love

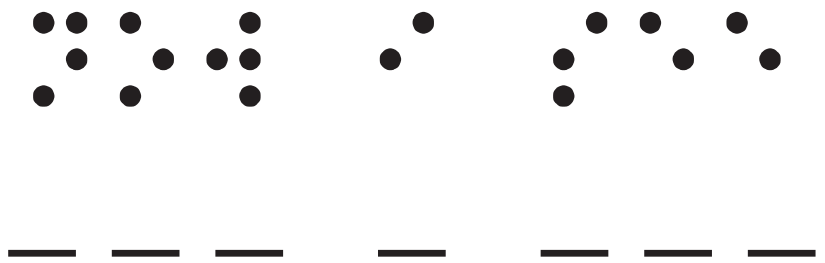

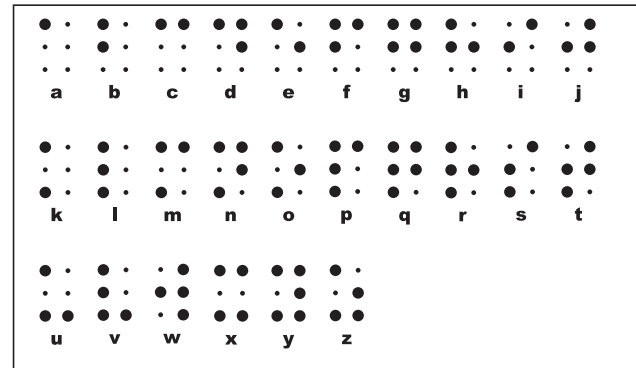

Jesus came to teach and to heal.

Jesus sent a blind man to wash in a pool of water. The blind man could see! Jesus brought the blind man light. Jesus brings us light, too!

Today, many people who cannot see use Braille to read. They use their fingers to read instead of using their eyes.

Decode the Braille below to figure out what the blind man said. Then use a pencil to push through the back of the dots. Close your eyes and see if you can feel the pattern of each letter.

The giant squid has the largest eyeball of any animal. It can be up to 10 inches (25 cm) in diameter!
