2021 MILITARY FISHING DAY

The HSV Anglers Club, with the help of Altrusa International of HSV and the HSV Property Owners Association, held the 11th annual Military Fishing day. Thirty-one airmen and women from Little Rock Air Force base visited Lake Balboa for 5 hours of fishing. It was a beautiful misty morning of September 23rd, 80 degrees and lots of sunshine. Numerous bass, catfish and bream were brought to the scales. Caught on a wide variety of lures.

2021 MILITARY FISHING DAY

Marcus Chiolino caught a 6 lb catfish for the biggest fish of the day.

David Liddell weighed in the largest bass at 2 $\frac{3}{4}$ lb.

The HSV Anglers club sends out a big thank you to all the volunteer boaters, helpers, HSV POA and Altrusa International of HSV. Without them we could not have this event.

This is just our small way to thank the folks of our armed services.
