WORSHIP AND PRAYER

Everyday Stewardship

A parish is a lot like a team. Those in a parish community work together to achieve goals that ultimately lead others to Christ. We come together to give of ourselves to advance the mission of the parish. When we all are committed to fully giving our gifts and talents, fulfilling our position in the Body of Christ, then our hopes and dreams of transforming the world around us can become reality.

However, when we sit out on the sidelines, we hurt our team. When we hold back and choose not to give of ourselves, we diminish what is truly possible for our parish community. I believe God always provides our parishes with what they need to be fruitful and vibrant. His gifts to us exist in each other. If you think your parish could be so much more, than perhaps this week you should call your pastor or other pastoral leader and say, "Put me in coach!"

College Age Ministry

College is a time in a person's life where they are asked tons of questions and could have experiences that challenge their belief in Catholicism. Some colleges and universities have great Newman Centers that can help them wrestle with these tough topics or ideas; others aren't so lucky. Because of this SPX will be focusing on college students during their Winter and Summer breaks. This will allow college students to explore different beliefs or responses that they have heard about their faith in a safe place. Here they can find out the answers, but they can also explore how this affects them personally. Our hope is to meet twice during Winter break and 2x a month during Summer Break. Please spread the word if you have a college student who will be in town between semesters.

The casino has a large smoke-free area. I will not be able to attend, but I certainly will be hoping that some of you will come home big winners. Good Luck!

St. Pius announces that **Mandy Mudd, Business Manager**, has accepted an outside job offer that will benefit the family. Mandy will work at St. Pius until June 30th. St. Pius wishes her well. Please welcome **new Business Manager, Jeanie Lewis**, who will occupy the position beginning June 3.

Diocesan Bulletin Bite: Pentecost

"To each individual the manifestation of the Spirit is given for some benefit."

Pentecost [from the Greek word for "fiftieth"] is the day the Apostles discerned and accepted the power of the Holy Spirit to proclaim Jesus Christ to people from many nations, cultures, languages and religious beliefs. The people listening to them came from many countries heard the Apostles in their own tongue. Amazing! More amazing is that people with a variety of religious beliefs came to believe in Jesus. Later Paul wrote to Christians in Corinth, a seaport city with people from many nations, cultures, languages and religious beliefs. He told them something so obvious we often forget it: Each of us is a person with a unique array of talents, abilities and gifts that God has given to us to use for ourselves and for others - material wealth, intelligence, artistic talent, athletic ability, the gift of music, and many others. God intends for us to enjoy them ourselves and to share them with others. How are we doing with that?
