Phoenix RD

Durable Insulated Impact Door

Shown in Red w/ 24" bumpers

The Phoenix RD Durable Insulated impact door is designed and manufactured with a composite internal structure and ABS surface, providing incomparable long-term performance in many demanding environments.

- ✓ Insulated and durable, ideal for high volume supermarkets, institutions, food service, and cooler openings
- ✓ 1 $\frac{3}{4}$ " overall door thickness
- ✓ Patent pending frame design provides unmatched structural stability
- ✓ Polyiso foam core with bonded composite frame
- ✓ ABS face sheets permanently fused to internal frame and core, eliminating the threat of moisture penetration
- ✓ Full length, reinforced spine for added strength
- ✓ V-Cam top hinge has 230° swing radius, 115° in each direction
- ✓ Composite lower jamb guard is standard
- ✓ Shatter proof dual pane polycarbonate window
- ✓ Full perimeter gasket
