## In Memoríum Elízabeth "Betty" Duddy

Betty had a passion for the Irish Setter breed that goes back 40 plus years, starting in the early 1970's. There was rarely ever a time when an Irish (or 2, or more) did not live in her home! Betty's passion was something that was part of her entire life and brought her so much joy.

Not too long after she had her first female Irish, she began breeding under the name of Redpath Irish Setters. She had many successful litters and was proud of every single puppy that left her home! In the early days of showing it was a family affair, both of her children learned to show as well as her oldest granddaughter. Betty and Jim, enjoyed being at the shows and watching their dogs out in the ring.

Betty was involved with many Irish Setter clubs. She met many lifelong friends and cherished the friendships she made in the dog world. There was always a friendly face, a helping hand, and a group of people who encouraged and rooted for each other and their dogs. This was very special to her and she always looked forward to the meetings and parties that were thrown throughout the year.

Betty raised many "family members" in her time. Her last couple girls went on to become Champions, Grand Champions and International Champions. She had beautiful, loved and very spoiled Irish ladies!

Betty's family will always be grateful for the outpouring of love and support that they received from her friends in the Irish Setter community. It was a very bright spot in her life and very special to her.
