Trailer Race Rules 2018

General Fairground Rules

You are competing at your own risk. Those competing in the event, drivers, fans and or pit crews are responsible for their own safety and equipment. The Dodge County Fair, promoter, sponsors, agents, volunteers, workers, heirs and successors will not be held responsible for any accidents, damage or theft.

You must be **15 years** of age to run and be in the pits, anyone under the age of 18 will need a minor release form signed by a parent/guardian and notarized signature.

All drivers must have a photo ID to be paid (No Exceptions).

Any harassment of judges, fair board members, promoters staff and competitors or crews will not be tolerated. You may be escorted out by police and or barred for 2 years. Promoters discretion.

No inappropriate behavior or language will not be tolerated in the pits or on the track. Any inappropriate language or symbols on your vehicle or clothing and you will be asked to remove it or leave. This is a family show.

Absolutely NO ALCOHOL in the pits. There will be plenty of law enforcement walking around and checking coolers.

The fair board and promoter are not responsible for cars left after the derby. any car or truck left on fairgrounds after 8:00 am the following day will become property of promoter.

The inspectors will do the inspecting. If you think somebody is cheating let us know

Competition Rules For Events

When you are flagged out, you must leave the track, must have helmet, eye protection and seat belts on until the heat is over or when an official tells you to get out.

Drivers door hits are illegal. If the hit is deemed by official to be careless or intentional, you will be disqualified.

Any open door will be cause for disqualification.

Fires you are allowed one fire, the second you will be disqualified

All driver must keep arms inside cars.

Watch your flag men for red flags, when you see red stop where your at.

General rules all classes

Preparation: All outer hardware must be removed including door handles, mirrors, headlights, marker lights, turn signal lenses, chrome, molding screws, fiberglass. All burnable material must be removed. Bumper covers may be taken off. All glass must be removed and swept out of car.

Wagons: all inside panels and rear seats must be removed.

Hoods: Must cut a 10"x 10" min. fire hole in hood.

Batteries: only one battery Must be in a metal box or tray, an bolted in 4 places, bolts no smaller than 3/8" and must be covered, if in car or cab, **battery may be under hood must be secure and covered**

Gas Tanks For Cars Racing: Tanks in front of rear axle may stay in places, gas tanks behind rear axle must be moved inside car and securely fastened down and covered, Gas line must be mounted to the floor,

Fuel Pumps: No electric fuel pumps, unless they came from factory with one. If you have one, you must run a separate on and off switch, and it must be clearly marked which position is off, and mounted close to the driver. **Fuel injected cars must use fuel injected gas line hose.**

Pump gas only, no Alcohol.

Brakes: All vehicles running in the races must have brakes, this will be checked in inspection.

Windsheild Bars: Mandatory in all cars and trucks

Air Bags: Must be removed.

Roll Bar: All cars and trucks must have one to race(No Exceptions), must have a 2 Point roll over bar welded to floor and bolted to roof.

Any tire allowed for race events.

Skid plates are allowed on any car or truck racing.

No chain binders on any vehicle, no wheel weights

Trailer Races: 8 laps 1 feature all classes unless there's enough cars for heats any kind of vehicle with a trailer attached on a solid ball hitch, **no swivel hitches or pinned hitches**. Any kind of trailer allowed (campers, boats, ect.. Be Creative!) The trailers must be between **10' to 22' in length, any tire on pull rigs.. Once your trailer is disconnected from the ball you are disqualified.** must have safety chains bolted to trailer and car. You can not hit the tow vehicles from in front of rear tires foward. We strongly recommend you put as much crazy thing on your trailer as you can but you can not have any loose objects on your trailers everything needs to be strap down somehow, **no drain tile**.

There will be stuff on track to slow you down.

. Object of race to take out other trailers, not cars or trucks, This event is meant to be a crowd pleaser.

Appliance Race: 7 laps 3 person teams (one driver, two pit crew member).start at start line, make 1 lap go to pits add 1 appliance, make 2nd lap go to pits add 2nd appliance, make 3rd lap go to pits add 3rd and final appliance,**(must come in to pits slow)**, then race 4 laps to the finish line,1st to finsh with 3 appliances wins. If an appliance falls off you must return to pits to get another appliance. May use any kind of strap that you see fit to hold an appliance on your car. **All cars must have a trunk and hood**. Each car must provide 3 straps to compete in this event. May add hooks for the straps for convenience. **Trucks must put 2 appliance on hood or roof not box**. Use your creativity to win this race.

Appliances will be provided

Drag race: Race down front stretch and touch barrel and race backwards to start line, win and you move on to next round, must stay in your lane or you will be disqualified.

Might have extra money added for crowd pleasers
