For people interested in ADOPTING: All those interested in adoption must first be approved to adopt, then a meet and greet will be scheduled. We will place the animal in your home for the 48 hour "trial period", and if it appears to be the perfect pet for you, we will then make the adoption permanent.

E-mailing your application is the preferred and quickest way to submit your application. After completion, e-mail to cooperschance@yahoo.com. Adoption Coordinator will contact you once you are approved to schedule meet.
