Letter from the Presidents

Where has this school year gone? It's amazing how fast the West Point experience is going - at least for us parents! It's hard to believe our son is almost a Firstie.

We wish the parents and cadets of the Class of 2017 a fantastic graduation experience. Just a few short weeks until the big day!

We have received the list of Colorado cadet-candidates. Currently there are 13 from Colorado - a small, but mighty group! We anticipate a few more will be added as appointments continue. We will be reaching out to the families to invite them to the send-off and ask them to join the Club. Please feel free to forward this email to families with cadet candidates so they can contact us. Here is the updated [application](#) for WPPCCO.

Please see below for information about the Send-Off and volunteer needs.

Smokey Hill Vineyard Church

Join us as we celebrate and welcome the parents and candidates of the
Class of 2021.

We will have information for parents and candidates, an opportunity for
candidates to meet with current cadets, and cake.

We need your help to make the send-off great for the Class of 2021!

Ways you can help:

1. If your cadet is home, please ask him/her to come to speak with the
candidates - about 30 minutes.
2. We need 2020 and 2019 parents to share your knowledge about:
 - *Travel to and from West Point
 - *R-Day, March Back, A-Day

*Communications with your cadet, other parents and WP

Please contact us if you can help at wppccolorado@gmail.com.

Many thanks to Cindy Sylvis for hosting a lovely Mother's Tea. We packed the dining room and had representation from a cadet candidate, all current classes and alumni. Was great to visit with all the moms.
