REAL LIFE TAX ADVICE

BIO

Abby Eisenkraft is the CEO of Choice Tax Solutions Inc. She is a federally licensed Enrolled Agent (EA), an Accredited Tax Advisor (ATA), Accredited Tax Preparer (ATP) and a Chartered Retirement Planning Counselor (CRPC).

Abby started her career in tax as a preparer, and quickly gained a reputation for successfully dealing with difficult tax problems, including those previously unsolvable by other tax professionals. She currently specializes in tax controversy cases such as federal and state tax audits, non-filer cases, residency audits, international matters, etc.

Abby is passionate about defending taxpayer's rights before the IRS and State Taxing Authorities. She is a speaker on various tax and financial topics, a consultant (specializing in the self-employed), and is often quoted in the press and on television as a tax and financial expert. She is the author of the new book "101 Ways to Stay Off the IRS Radar", available online at Amazon and Barnes & Noble.
