June 7, 2016

Dear Residents

It gives the Board of Managers great pleasure to announce the installation of water sprinklers for our community's common areas. Please be advised that the week of June 13th the staff of Richmond Sprinklers will be on the grounds for the installation. Please excuse the work and we'll post a watering schedule shortly, so you can plan the use of the common areas accordingly.

Thank you!

Board of Managers
