Spring is here; let's clean up our yards and front porches.

Trees overhanging sidewalks must have sufficient clearance, so that people can pass under while walking on the sidewalks. Also, let's not forget our alleys, which need to be cleaned up and weeded too!

We are always looking for people willing to serve on the HOA Board. Example; Board Members, Architectural Committee, Social Committee, Newsletter & Website. If you are interested, please send an email to the board email address on our website.

Covenant enforcement efforts are continuing, unfortunately it looks like we will be using our budgeted amount for legal fees.
