## Training the Whole Horse® Master ROCKS the Romanian Horse Industry

Celebrating with Missy Wryn, founder of Training the Whole Horse® is Kinga Sebestyen from Transilvania, Romania who has completed Missy's Certification Mastery of Starting Under Saddle. Through Missy's distance learning certification program, Kinga enrolled December 2014 acquiring two young untouched horses, a mare and a stallion, from a nearby Romanian farm, and started both horses under saddle **bitless** and in an English saddle. Kinga also worked with a difficult horse from the jumping barn where she boards her horses, all the while accomplishing Missy's Level I in just 30 days! Two months later Kinga completes Level II riding both the mare and stallion and a fellow barn mate is jumping bitless in Missy's All-In-One Bitless Bridle. "I am so very proud of Kinga as she now begins her Iron Free Riding Mastery which I have no doubt she'll complete swiftly. Kinga is greatly talented with patience and skill as she deepens her understanding of horse communication and leadership. I'm very excited to have Kinga as part of my Training the Whole Horse® team and support her wholeheartedly as she ROCKS the Romanian horse industry with her talents" Wryn says.
