

Maple Bluff

Fire Rescue

Application for Membership

Thank you for your interest in a position with the Village of Maple Bluff Fire Rescue Department. We are a combination department that serves an area of approximately 1 square mile with a population of nearly 1,500 residents. The department averages 140 calls for service annually, with 65% being calls for emergency medical services. We also respond to structure fires, alarms, car accidents, as well as water/technical rescues. We operate out of one station with two fire engines, one boat, and a command car. We staff one fire officer 24/7 at the firehouse, with additional daytime staffing coming by means of our intern and volunteer members. All other times are covered by home response and our overnight on call program in which members stay on station overnight and respond to calls.

Here are a few things we feel you need to know as you apply for a position with our organization:

- You do not need to have any experience to apply for a position with the department.
- You must be 18 years of age at the time of application.
- All members are required to obtain Firefighter I/Hazmat Awareness and Operations certified and EMT-Basic within 24 months of hiring. If the department covers the cost of any classes, you will be required to sign a one year contract (from the completion date of the classes). In the event you leave or are terminated, you will be required to reimburse the department the full cost of the classes per the contract.
- We offer a stipend to members for each in house training session and each emergency call you attend.
- There are minimum monthly and yearly requirements for participation, trainings, and department meetings that must be maintained.
- We will also pay for outside education as the Fire Chief and budget allow. Classes include but are not limited to certified motor pump operator, fire instructor, fire inspector, and Advanced EMT.
- Each new member must complete a department orientation class.
- There is a 12-month probation period for every new member.

HIRING PROCESS (PLEASE READ CAREFULLY)*

1. Complete the application packet in its entirety.
2. Provide copies of your driving record (can be obtained through the Wisconsin DOT website at <http://wisconsindot.gov/Pages/online-srvcs/other-srvs/request-record.aspx>), high school diploma or G.E.D., and any fire or emergency medical service certifications you hold.
3. Applications will be reviewed.
4. A criminal history check will be completed by the department.
5. If selected, an interview will be scheduled with an interview board.
6. If given an offer of employment you will be subject to a physical and drug test prior to starting.

*** If your application is not completed in its entirety it will be rejected.***

If you have any questions with any portion of this application please call 608-244-3390.
