Dear DSHPSHWA Member,

The 2019 Directors of Speech and Hearing Programs in State Health and Welfare Agencies (DSHPSHWA) Annual Meeting is being held March 2, 2019, in Rosemont, Illinois. Attendance at the meeting is a condition for DSHPSHWA membership. During this meeting, DSHPSHWA will be conducting its annual business meeting, including election of DSHPSHWA officers. Please see attached for the full agenda.

DSHPSHWA's mission is to support the leaders of speech and hearing programs in the United States. We represent professionals who serve children with speech and hearing disorders and their families through advocacy, professional development, and collaboration.

The DSHPSHWA Annual Meeting is an important time for our membership to meet in-person to discuss how we can better support our mission and foster partnerships within and outside DSHPSHWA. We look forward to seeing you in Illinois! Please feel free to contact DSHPSHWA at [dshpshwa@hotmail.com](mailto:dshpshwa@hotmail.com) if you have any questions.

Sincerely,
