Dear Reader,

Summer is well under way here at Little Village. **Please remember to take your children's water bottles home on their last day of attendance for the week, every week!** As it warms up, we hope to have more water Wednesdays for the preschool and toddler classrooms. If you have any questions about what water day entails or what to bring, please stop into the office and ask! Lastly, our first day of preschool will begin Monday, August 22, 2016 and will follow Crestwood's schedule again this year for part time students. As this date approaches, Little Village will be diligently working toward a brand new school year that will include transitions to the next room for some children in the building, an open house to meet the teachers, updating paperwork in the office, and making room for the new children that will enroll in August. Stay tuned for all the excitement to come in July and August!

Sincerely,

Little Village ELC
