## About CPMC

Community Partners of Montgomery County (CPMC) is a 501(c)(3) non-profit organization that supports abused/neglected children in Montgomery County, Texas. We work through the Child Protective Services (CPS) to provide new critical items for the children being served by CPS Caseworkers.

## Our Mission

To provide new critical items needed by children who are brought into Child Protective Services (CPS) care due to abuse and/or neglect. These items include children's clothing of all sizes, lice shampoo, diapers, hygiene items, baby bottles, formula, temporary bedding, child safety items, snacks, juices, stuffed animals, etc. The items are stocked in the "Rainbow Room" which is located in the CPS offices in Conroe, TX. This provides the CPS Caseworkers full access to the items on a 24/7 basis.

## History

The CPMC organization was formed in 1997. The Rainbow Room was set up and stocked in early 1998 in the CPS offices in Conroe, TX in a 12' x 15' vacant office. Laura Bush, who was the First Lady of Texas at that time, was the featured guest at the grand opening on February 12, 1998.

Mrs. Bush was instrumental in starting the first Community Partners organization in Dallas.

Other significant events:

- July 2003: CPMC received IRS approval as a 501(c)(3) public charity.
- January 2011: The Rainbow Room was moved to a larger space within the CPS offices. The new space is three times larger than the original space.
