CVRWF MEETING – November 15th

We are proud to present Mark Meuser, Republican Candidate for California Secretary of State, as our speaker for the Wednesday, January 17, 2018, general meeting and buffet breakfast. Mark is a native Californian and a small business owner, committed to fighting for honest and fair elections.

From a young age, Mark was an entrepreneur. As early as age 12, he would pick cherries in the morning and then have a street side stand that he would operate in the afternoon.

By age 15, he was in a management position at a local restaurant. And at 21, he purchased his own pizza restaurant. Even with a thriving restaurant, Meuser decided to begin studying law. He graduated with honors from the Oak Brook College of Law. To help small business owners handle California's complex regulatory environment, he opened The Meuser Law Group. Meuser operated a diverse civil litigation firm that represented both individuals and small businesses. Meuser's unique training has taught him how to listen to people, formulate

creative alternatives and achieve workable solutions to real problems.

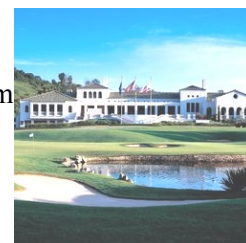

Meuser's priority is to guide the Secretary of State's office out of the present, antiquated system. The people of California deserve an open and accessible government that works for them not against them.

California needs a Secretary of State who will fight to protect the rights of citizens to vote and petition their government. We need someone who will restore the people's confidence in open, secure and fair elections. We need someone who will utilize the knowledge and experience of Silicon Valley to modernize the way all businesses register in the State.

ARMED SERVICES COMMITTEE

Dear CVRWF Members,

Dear Friends of our Military,

We are so excited that our Christmas stockings are arriving on time to our troops serving overseas for the holidays. The attached photos are of our troops serving in Okinawa, Japan.

We shipped 94 boxes all together to the General and his Marines and Sailors. 70 boxes have arrived and 24 more boxes are still on their way and hopefully the boxes will arrive before Christmas. The mail is strange, we shipped the boxes all out on 12/1 and 12/2 and they have been arriving in increments? As long as they all arrive soon to our troops serving in Okinawa and also to our Soldiers serving in Afghanistan and another Navy SEAL unit that we sent to, is all that matters to me!

Enjoy the photos of our troops at their Christmas party in Okinawa, Japan.

What makes a nation great is love for one another! Thank you for making our country great by supporting our beloved military for Christmas!

Serving America's Armed Forces,

Cynthia Martinez

AMERICANISM

by Alice Anderson

Americanism means the virtues of courage, honor, justice, truth, sincerity, and hardihood – the virtues that made America. The things that will destroy America are prosperity-at-any-price, peace-at-any-price, safety-first instead of duty-first, the love of soft living and the get-rich-quick theory of life.

- Theodore Roosevelt

Eric Weigand, Laura Newhall, Marilyn Parker, and Assemblyman Bill Brough

(Left) OCFRW Christmas Luncheon was attended by Janan Pisano, Alice Anderson, Cindy Cannon, Roseann Gillette, Ardyce Kehiayan, Marilyn Parker, Karen Lynn and Pat Blanford. Great speaker and a lot of fun!

LEGISLATION

by Terry Goller

HOW IS CALIFORNIA DOING?

- > There will be 31 ballot measures for voters in 2018.
- > Here are a few that voters will be asked to sign:
- > A constitutional amendment billed as a "Lockbox" to protect the transportation funding.
- > A 2/3 legislative vote needed to spend on cap & trade money.
- > A 4 billion dollar bond for park and water infrastructure.
- > Exemptions for 55 and older from paying income and property taxes.
- > Exemptions from school taxes with no dependent children.
- > Allowing convicted felons in prison or on parole to vote.
- > Decriminalizing the use of psychotropic mushrooms which may be used for depression and additions.

HOMELESS: It is estimated that Orange County has over 5,000. Prop 47 hasn't helped by releasing low level criminals into the community. Also, rehab establishments are attracted to lucrative insurance payments and recruit in and out of state. Local officials have proposed mandatory transportation back to their place of origin.

FREE SPEECH: Most California universities received a "yellow light rating" which means poor and suppressive for allowing free speech. Along with others, UC Riverside and Cal State Long Beach received the worst, "red light rating."

GOOD NEWS: The Leadership Institute on college campus chapters are using a giant inflatable Free Speech Ball. This allows students to write anything they want on the ball which exercises their 1st amendment rights. They are photographing any tuggery for monetary legal judgments.

PRESIDENT'S MESSAGE

by Marilyn Parker, President

Over the course of the three years I served as President of CVRWF, our Republican Message has undoubtedly resonated with millions more conservative minded citizens than we even suspected....our State and National Federated Clubs have become even more visible and active across the nation. Our path is even clearer now....the very tumultuous election of 2016 brought us into the light with the most unexpected candidate for President of the United States, Donald Trump! Every day gets brighter as President Trump busily works to drain the swamp, as he promised! It is exciting to look towards the accomplishments of 2018 that he will complete. Now is the time to grow our numbers and our influence in our community! To move forward on this journey CVRWF needs a leader for 2018.....We are all here to work TOGETHER, but who will lead? A new leader always emerges in a successful organization...please help us be successful for the next year and volunteer to be President. As with my own experience, you will gain so much as a person and make memories you will cherish. Believe me! (Words spoken by President Trump!)

Retiring president, Marilyn Parker with Bill Brough

Ways and Means Chairman Pat Blanford and Marsha Ilg dazzle us each month with their opportunity drawing creations!
